

Annual Directors and Department Chairs Breakfast

Office of Academic Affairs
April 2016

Office of Academic Affairs

- Vice Provost- Dr. Lyle Castle
- Associate Vice President for Enrollment Management-Mr. Scott Scholes
- Associate Vice President for Undergraduate Affairs-Dr. Margaret Johnson
- Associate Vice President for Institutional Effectiveness-Ms. Selena Grace

Academic Affairs Vision

- Support faculty, staff and students to fulfill ISU's academic mission
 - Academic programs
 - Focus areas
 - Geographic region
- Monitor and maintain the highest quality programs
- Grow enrollment and improve student retention and success
- Work with VP for Research to support and grow faculty scholarship and research

Revised Mission Statement

- Idaho State University is a public research-based institution that advances scholarly and creative endeavors through academic instruction, and the creation of new knowledge, research, and artistic works. Idaho State University provides leadership in the health professions, biomedical, and pharmaceutical sciences, as well as serving the region and the nation through its environmental science and energy programs. The University provides access to its regional and rural communities through delivery of preeminent technical, undergraduate, graduate, professional, and interdisciplinary education. The University fosters a culture of diversity, and engages and impacts its communities through partnerships and services.

ACADEMIC AFFAIRS UPDATES

Idaho State
UNIVERSITY

Office of Institutional Effectiveness

- Institutional Effectiveness is the systematic, ongoing process of collecting, analyzing and acting upon data and information relating to the goals and outcomes developed to support the University's mission.
- Institutional Effectiveness is integral to the maintenance and development of high-quality academic and service programs, as well as core theme assessment and demonstration of mission fulfillment as required by the Northwest Commission on Colleges & Universities (NWCCU) accreditation.

Office of Institutional Effectiveness

- Institutional Effectiveness has accomplished:
 - Updated 2017-2021 Strategic Plan
 - Submitted NWCCU Year-1 Report and Adhoc report
 - Completed program health analysis as follow-up to program prioritization Phase III
 - Executed the Degree Works Implementation Plan
 - Completed assessment on Outreach Centers

Office of Institutional Effectiveness

- Upcoming up for Institutional Effectiveness:
 - An overhaul of the strategic plan
 - Specialized Accreditation process improvement
 - Standardization of end-of-course assessment software
 - Standardization of Program Assessment

Office of Institutional Effectiveness

The Institutional Effectiveness & Assessment Council Steering Committee and Subcommittees have accomplished the following:

- Revision to ISU's Mission, Core Themes, and indicators
- Initiated the alignment of institutional planning to include Academic Programs, Facilities, Technology, Resource Allocation
- Initiated new strategic plan development process

Office of Institutional Effectiveness

- Institutional Research has accomplished:
 - Completed Phase III of Program Viability dashboard
 - Published a study on student retention of ISU students
 - Administered the National Survey of Student Engagement (NSSE) and the Faculty Survey of Student Engagement (FSSE)
 - Implemented a new user interface for Activity Insight
 - Designed custom reports in Activity Insight for programs with specialized accreditation

Office of Institutional Effectiveness

- Upcoming up for Institutional Research:
 - Strategic planning web application under development
 - Enhancements to the Program Viability web application such as new reports: Majors and degrees per faculty FTE
 - Implementation of the Qualtrics university-wide license
 - Web services for Activity Insight to push data to department websites to automatically update faculty profiles

Office of Undergraduate Affairs

- Complete College Idaho
 - \$208,000 in new funding starting in July 2017
 - Student Opportunity Development
 - Coordinators working with colleges to support discipline-focused internship, volunteer, and international experiences for students
