Office of Sponsored Programs & Support

Dave B. Harris

Assistant VP for Research - OSP

- Funding opportunities
- Proposal development
- Proposal submission
- Award acceptance
- Subcontract development
- Post-award accounting
- Internal grants

<https://www.isu.edu/research/research-support/osp/>

Research Outreach & Compliance

Deb Easterly, EdD.

Assistant VP for Research - ROC

Research Compliance

- Animal use
- Human subjects
- Export control
- Conflict of Interest in Sponsored Projects
- Research misconduct
- Responsible conduct of research
- Use of controlled substances
- Biosafety
- UAS

Research Outreach & Compliance

Deb Easterly, EdD.

Assistant VP for Research - ROC

Research Outreach

- Undergraduate research program
- Diversity in STEM

<https://www.isu.edu/research/research-support/research-outreach-and-compliance/>

Research Centers

- Research Data Center (RDC)
- Molecular Research Core Facility (MRCF)
- Measurement & Control Engineering Research Center (MCERC)
- Institute of Rural Health (IRH)
- Center for Archaeology, Materials, and Applied Spectroscopy (CAMAS)
- Idaho Accelerator Center (IAC)

<https://www.isu.edu/research/centers-and-institutes/>

Center for Advanced Energy Studies

David W. Rodgers, PhD
ISU Associate Director - CAES

- Funded consortium between INL, ISU, UI, BSU, UWyoming
- Facilitates research collaborations, grant opportunities, use of lab facilities
- Focus Areas: Nuclear Energy, Cybersecurity, Advanced Manufacturing, Energy Policy, Computing-Data-Visualization
