

Degree Plan for a AS of Fire Services Technology

Las Positas College (LPC) Required Courses				
LPC Course (Prerequisites/Corequisites*)	Cr	Semester offered ¹	ISU Equivalent (Prerequisites/Corequisites*)	Cr
California State University General Education- Breadth	39			
Inter-segmental General Education Transfer Curriculum	(37)			
^ Student will coordinate with LPC academic advisor with questions about satisfying the general education pattern.				
FST 1 - Fire Protection Organization	3			
FST 2 - Princ. of Fire & Emerg. Services Safety & Survival	3			
FST 3 - Fire Behavior and Combustion	3			
FST 4 - Fire Prevention	3			
FST 5 - Fire Protection Systems	3			
FST 6- Building Construction for Fire Protection	3			
FST 7- Fire Service Conditioning & Physical Agility Dev.	1			
Elective credits	(2-4)			
General Education Pattern (choose 1 pathway) ^				
Students must obtain a posted Associate Degree				
Total	60		Total	0

*Course may require other Prerequisites/Corequisites Courses

¹F = Fall, S = Spring, Su = Summer

**Credit amount may vary based on course chosen

For specific selection and sequencing of courses, students are strongly encouraged to meet with a LPC academic advisor and an ISU academic advisor

Degree Plan for a BS of Fire Services Administration

Advising notes:

¹ FSA 4409 is waived for students with 5+ years of experience in a fire-related career/field.

² ISU requires 36 upper-division credits to confer a bachelor's degree. There are 27-30 upper-division credits built into the FSA major coursework. Transfer students who do not have upper-division transfer credits will be required to complete 6-9 upper-division elective credits in order to meet the 36 upper-division credit requirement for graduation.

³ Students may satisfy an outstanding elective credit deficit by way of transfer credits that exceed the 60 credits required for the Associate of Science Fire Science Technology degree earned from LPC. Credits earned from a regionally-accredited institution are transferable to ISU and may satisfy this graduation requirement.

⁴ A minor in Homeland Security Emergency Management (18 credits) is recommended to meet the free elective requirement. Nine (9) of the eighteen (18) total credits for the minor must be upper-division. These upper-division credits may be applied toward the upper-division elective credits required for a bachelor's degree.

Other Requirements:

The courses listed on the preceding pages fulfill the requirements of an degree at LPC. Completion confers the following benefits:

- 1) ISU accepts completion of predetermined LPC courses for the ISU bachelor's degree. Students who transfer without predetermined courses must complete ISU's institution-specific education requirements.

Idaho State University Requirements:

Students must complete 120 credits of coursework, of which at least 60 must be academic credits. Completion of an AA/AS degree from LPC satisfies ISU's general education requirements. Students who transfer to ISU without an AA/AS must complete ISU's general education requirements. Students must complete 36 credits of upper division coursework (3000 level and above), of which 15 must be earned at ISU. At least 30 credits in the major area of study must be resident credits (earned at ISU), or 30 of the last 50 credits applied to the degree must be ISU resident credit. Refer to the ISU catalog for limits on specialized credits such as credit by exam, physical activity, music participation, and experiential learning. Students must complete all major requirements with a minimum grade point average of 2.0 and have an overall ISU cumulative GPA of 2.0.
