

Explore ACCOUNTING

HERE'S THE PLAN:

General Education Objectives

These courses are required by the Idaho State Board of Education and ISU to make sure your college education is well-rounded. There may be several course options for some objectives; always check with your advisor to determine the right courses for you.

College of Business Core

These are courses curated by the ISU College of Business to give students a basic understanding of multiple areas of business. This enables you to understand how your chosen area of study fits into the larger world of business and more easily work interdepartmentally.

Major Requirements

These courses are required for your chosen major. They are more specific to your own academic interests and professional goals, and may investigate more concentrated or area-specific subject matter.
