Colonial Hall #230

Colonial Hall sits across from the Physical Science Building, with a huge lawn. On the other side we're neighbors with Lookout Credit Union.

From the main entrance, head straight up the stairs to the second floor, then turn left and enter the computer science hall – we are the second door on the left!

Go past the front desk and down the hall until you see the faculty break area, turn right to follow another hallway – we are the first door to the right!
