## **EDUCATION**

---

University of the Pacific – Thomas J. Long School of Pharmacy and Health Sciences – Stockton, CA  
Master of Science, Speech-Language Pathology Dec 2012  
Bachelor of Science, Speech-Language Pathology May 2011

## **PROFESSIONAL AFFILIATIONS & LICENSES**

---

American Speech-Language Hearing Association

Member #14033435

*Special Interest Group 1 - Language Learning and Education (2025)*

*Special Interest Group 11 – Administration and Supervision (2017-2018)*

*Special Interest Group 1 – Language Learning and Education (2016)*

*Special Interest Group 16 – School-Based Issues (2015)*

Idaho State Licensure: SLP - 3792

## **PROFESSIONAL EXPERIENCE**

---

Idaho State University – Speech Language Pathology Program (Meridian, ID) Aug 2022 – Present

*Assistant Clinical Professor*

- Supervised graduate clinicians who provided speech and language intervention to pediatric clients within the university clinical setting
- Provided classroom instruction for select portions of the following courses: CSD 6620 - 01, 02: Early Language Development Disorders (2022), CSD 6602L – 01, 02: Clinical Practicum in Speech Language Pathology Lab (2022 - Present)

Vallivue School District (Caldwell, ID)

Aug 2021 – July 2022

*Preschool Speech-Language Pathologist*

- Provided speech/language therapy and diagnostic evaluations for preschool age children and toddlers transitioning to preschool with communication impairments
- Developed and modeled appropriate classroom-based speech/language service, allowing for consistent reinforcement of targets from special education teachers and classroom paraprofessionals
- Supervised speech-language pathology assistants and ISU graduate student, providing collaborative feedback and mentorship while treating a wide range of communication impairments

West Ada School District (Meridian, ID)

Aug 2020 – June 2021

*Speech-Language Pathologist*

- Provided speech/language therapy and diagnostic evaluations for middle and high school students with communication and hearing impairments
- Supervised speech-language pathology assistants, providing feedback and guidance for working on higher level language targets
- Collaborated and coordinated with IEP and 504 teams regarding the use of FM systems and appropriate classroom accommodations for the deaf and hard of hearing populations

Stockton RiteCare Language Center (Univ of Pacific – Stockton, CA)

Mar 2016 – June 2020

*Clinic Director*

- Provided instruction for the following courses: SLPA 105 – Clinical Methods III, SLPA 107 – Clinical Methods IV, SLPA 225 – Public School Issues, SLPA 121 - Speech & Language

Development, SLPA 110a/b – Clinical Observations, SLPA 189a/b – Beginning & Intermediate Clinic, SLPA 289a/b – Advanced Clinic, SLPA 181 – Diagnostic Observations, SLPA 183 & 283 – Diagnostic Lab

- Supervised graduate and undergraduate clinicians who provided speech and language intervention to childhood clients within the university clinical setting
- Supervised 15 - 20 team members including clinic staff and part-time clinical faculty
- Coordinated daily clinic functioning, developed clinic schedules and intervention programs, created clinical report writing guidelines and templates, and revised and developed clinic handbook
- Co-advised the National Student Speech-Language-Hearing Association chapter at Pacific

Scottish Rite Language Center (Univ of Pacific – Stockton, CA)

Jan 2016 – March 2016

*Clinical Instructor*

& June 2015

- Supervised graduate student clinicians during aural rehabilitation summer camp and undergraduate student clinicians during speech and language summer camps
- Collaborated daily with student clinicians, providing feedback/reinforcement and teaching/modeling various speech and language elicitation techniques

Stockton Unified School District (Stockton, CA)

Aug 2014 – June 2016

*Speech-Language Pathologist*

- Provided speech/language therapy and diagnostic evaluations for high school students
- Coordinated several service delivery models, including traditional small group, co-teaching with resource specialist, and collaboration with special education/general education teachers
- Planned, organized, and advised *Circle of Friends*, incorporating functional pragmatic language intervention into weekly student activity events

Lincoln Unified School District (Stockton, CA)

Jan 2013 – June 2014

*Speech-Language Pathologist CF & Speech-Language Pathologist*

- Provided speech/language therapy and diagnostic evaluations for elementary and middle school students
- Implemented Response to Intervention for struggling students who did not meet qualifying criteria for speech/language services
- Utilized several service delivery models including traditional small group, classroom inclusion model, and co-teaching with general education teacher
