

VICTORIA (TORI) L. SHARP

Associate Professor, Idaho State University
Department of Communication Sciences & Disorders
921 South 8th Ave., Stop 8116 Pocatello, Idaho 83209
Phone: 208-282-4576 Email: ssharp@isu.edu

EDUCATION

Ph.D., Communication Sciences and Disorders
University of Pittsburgh

M.A., Speech-Language Pathology
Miami University

B.S., Speech-Language Pathology & Audiology
Miami University

ACADEMIC EMPLOYMENT

Associate Professor, Tenured	2022-Present
Department of Communication Sciences and Disorders	
Idaho State University	

Assistant Professor, Tenure-Track	2016-2022
Department of Communication Sciences and Disorders	
Idaho State University	

ADMINISTRATIVE LEADERSHIP

Program Director, PhD Program in Rehabilitation and Health Sciences	2024-Present
Idaho State University	

Associate Director, PhD Program in Rehabilitation and Health Sciences	2023-2024
Idaho State University	

PUBLICATIONS (*indicates student author)

RESEARCH

Funded Grant Submissions

Communication Sciences and Disorders Internal Grant Fund, \$1000 (Funded) 2025-2026
Idaho State University

Intensive Aphasia Program Satisfaction 2024-2026
PI, ISU College of Health Faculty Research Grant, \$15,000 (Funded)

Meridian Intensive Aphasia Program Therapy Outcomes 2024-2026
PI, Idaho State University Faculty Seed Grant, \$19,938 (Funded)

Communication Sciences and Disorders Internal Grant Fund, \$1000 (Funded) 2023-2024
Idaho State University

Rocky Mountain Research Evaluation and Commercialization Hub Pilot Awards 2024
PI: Dr. Cathy Off
SimpleComm: Developing a Digital AI-Supported Technology to Adapt Patient Reported Outcome Measures (PROMs) to Support Language and Communication Disorders & Differences, \$49,052 (Funded)

Modified Intensive Aphasia Program Patient Outcomes 2020
PI, Idaho State University Internal Small Grant Program, \$5000 (Funded)

Invited Grant Submissions

PI: Dr. Cathy Off 2025
Accessible Health Reporting: A Digital AI-Driven Solution for Stroke Survivors with Aphasia
Co-Investigator, Institute of Translational Health Services, Early-Stage Product Development

Grant Submissions (Not Funded)

Adaptation, Reliability, and Validity Testing of the REST Measure for Refugee Engagement 2023
PI: Dr. Mary Nies
Co-Investigator, Patient Centered Outcomes Research Institute, \$668,618 (Invited, Not Funded)

Adaptation, Reliability, and Validity Testing of the REST Measure for Refugee Engagement 2022
PI: Dr. Mary Nies
Co-Investigator, Patient Centered Outcomes Research Institute, \$668,618 (Invited, Not Funded)

Characterizing Provider Cultural Competency and Access to Qualified Medical Interpreters for Underserved Rural Populations in Southeast Idaho 2022
PI, Clinical and Translational Infrastructure Network
Community-Engaged Grant, \$60,000 (Invited, Not Funded)

Impact of Intensive Aphasia Treatment Durations for Rural Stroke Survivors 2021
PI: Dr. Catherine Off
Co-Investigator, R21 NIH Exploratory/Developmental Research Award, \$275,000 (Not Funded)

Provider Linguistic and Cultural Competency as a Social Determinant of Health in Idaho 2021
Co-PI, Blue Cross of Idaho Foundation for Health, \$100,000 (Not Funded)

Promoting Solutions for Health Equity: Pursuing Cultural Competence and Breaking Language Barriers in Southeastern and Eastern Idaho Healthcare Co-PI, Robert Wood Johnson Foundation, \$350,000 (Invited, Not Funded)	2021
Telehealth Delivery of an Intensive Comprehensive Aphasia Program for Rural Stroke PI, Clinical and Translational Infrastructure Network Single Investigator Pilot Grant, \$60,000 (Invited, Not Funded)	2021
Functional Outcomes of Distributed and Modified Intensive Chronic Aphasia Treatment PI, Clinical and Translational Infrastructure Network Single Investigator Pilot Grant, \$60,000 (Invited, Not Funded)	2020
Investigating the Impact of Treatment Duration on Rural Patient Outcomes for Stroke Survivors with Aphasia Participating in Intensive Comprehensive Aphasia Programs: A Mixed Methods Study; PI: Dr. Catherine Off Co-Investigator, R21NIH Exploratory/Developmental Research Award, \$275,000 (Not Funded)	2020
A Qualitative Investigation of Intensive Interventions for Family Caregivers of Stroke Survivors with Aphasia Living in the Mountain West; PI: Dr. Catherine Off Co-Investigator, Montana INBRE 2020 Major Project, \$99,620 (Not Funded)	2020
Functional Outcomes of Distributed and Intensive Chronic Aphasia Treatment PI, Idaho State University Faculty Seed Grant, \$20,000 (Not Funded)	2019
Functional Outcomes for the Meridian Intensive Aphasia Program PI, Idaho State University Faculty Seed Grant, \$20,000 (Not Funded)	2018
Research Lab Efforts and Collaborations	
Intensive Comprehensive Aphasia Programs World (International) Working Group Co-Leader via Mountain West Aphasia Research Coalition (55 members)	2024-Present
Intensive Comprehensive Aphasia Programs World (International) Working Group Co-Leader via Mountain West Aphasia Research Coalition (8-10 members)	2019-2023
Mountain West Aphasia Research Coalition Co-Founder with Dr. Catherine Off of University of Montana	2018-Present
Ssharp Language and Brain Lab Director Idaho State University Academic interests: Patient outcomes, student training competencies, and family caregiver perspectives associated with intensive and modified intensive aphasia rehabilitation programs, cognitive and psycholinguistic bases of neurological communicative disorders, health equity and access to care, and the nature and treatment of right hemisphere communication processes and disorders.	2016-Present
Dissertation: "Temporal processing of ongoing events" University of Pittsburgh, Chair: Dr. Connie Tompkins	Defended: 2016
Lab Director in the Tompkins Language Lab University of Pittsburgh, Principal Investigator: Dr. Connie Tompkins	

Project: “Treatment for Language Processing Deficits in Adults with Right Brain Damage”

Predissertation: “Suppression and narrative time shifts in right hemisphere brain damage”
University of Pittsburgh, Mentor: Dr. Connie Tompkins

Lab Manager in the Tompkins’ Language Lab
University of Pittsburgh, Principal Investigator: Dr. Connie Tompkins
Project: “Gesture and Aphasia: Helping Hands?”
Project: “Comprehension Impairment Following Right Brain Damage”

Thesis: “Categorization of Common Objects by Individuals with Traumatic Brain Injury:
Application of a Systematic Training Program”
Miami University, Chair: Dr. Fofi Constantinidou

Lab Manager in the Cognitive Rehabilitation Lab
Miami University, Principal Investigator: Dr. Fofi Constantinidou
Project: “The Effects of Concussion in Cognitive Performance in College Athletes”

Research Assistant in the Cognitive Rehabilitation Lab
Miami University, Principal Investigator: Dr. Fofi Constantinidou

RESEARCH ENGAGEMENT WITH STUDENTS

Master’s Thesis Committee Chair, Communication Sciences and Disorders Department

Courtney Rhoda, Defended: Spring 2025

Topic: Intensive Aphasia Program Outcomes

Hanah McCabe, Defended: Spring 2024

Topic: Narrative Discourse in Aphasia

Micaela Wilson, Defended: Spring 2023

“Building the Evidence-Base for Intensive Comprehensive Aphasia Programs”

Katie Jo Roberts, Defended: Spring 2022

“The Sustainability of Intensive Comprehensive Aphasia Programs: A Qualitative Study”

Jaime Jones, Defended: Fall 2021

“Using Core Verbs to Analyze Discourse of Participants in a Modified Intensive Comprehensive Aphasia Program”

Martha Klousner, Defended: Spring 2021

“Measuring Changes in Lexical Diversity of Discourse Samples to Evaluate the Effects of a Modified Intensive Comprehensive Aphasia Program”

Thomas Gonzalez, Defended Spring 2020

“A Pilot Study on the Outcomes of a Modified Intensive Comprehensive Aphasia Program”

Melissa Mazzaglia, Defended: Fall 2019

“Humor Functions in Aphasia Group Therapy within a Modified Intensive Program Model”

Heather Beard, Defended: Spring 2019

“Potential Influences of an Intensive Aphasia Therapy on Communication Confidence”

Jeanna Ritter, Defended: Spring 2018

“The Feasibility of Script Based Audio-Visual Speech Entrainment for the Treatment of Nonfluent Aphasia in a University Clinic Setting”

Master's Paper Committee Chair, Communication Sciences and Disorders Department

Courtney Chambers, Completed: Spring 2023

“Depression and Quality of Life in Stroke Survivors”

Hannah Woody, Completed: Spring 2021

“Can a 10-Meter Walk Test Determine Stroke Survivor Candidacy for an Intensive Comprehensive Aphasia Program?”

Amy Williams, Completed: Spring 2020

“Emotional Impairment in Right Hemisphere Disorder: Affect and Cognitive-Communicative Processes”

Kyle Blair, Completed: Spring 2018

“Need for Continuing Research of World Knowledge-Based Compensatory Strategies for Broca's Aphasia”

Master's Thesis Committee Member, Communication Sciences and Disorders Department

Nyah Cate, Defended: Spring 2024

Topic: Core Lexicon in Aphasia Discourse

Andrea Silva, Defended: Spring 2022

“The Effects of a Code-switching within SGDs on Language Discourse in Bilingual People with Aphasia”

Mallory Owen, Defended: Spring 2021

“The Effects of Interface Display and Cognitive Function on Story Retell in People without Aphasia”

Dissertation Committee Member

Jenna Griffin-Musick, University of Montana, Defended: Spring 2024

“An Investigation of Three Rehabilitation Models on Cognitive-Linguistic Outcomes for Stroke Survivors with Chronic Aphasia”

James Pascali, Department of Political Science, Defended: Spring 2023

“Understanding the Role of Emerging Deaf Identity on Political Engagement Regarding Issues of Accessibility”

Rebekkah Hulen, College of Nursing, Defended: Spring 2021

“Utilizing the PEN-3 Model to Describe the Cultural Context of Health Literacy for Adult Congolese Refugees Post-Resettlement to Boise, Idaho, United States (US)”

Oral Comprehensive Exam Committee Member or Graduate Faculty Representative

Taylor Elizondo, Rehabilitation and Health Sciences, Fall 2025

Sarah Conkle, University of Montana, Part 1, Spring 2025

Kellie Brown, Psychology Department, Fall 2019

Ahva Mozafari, Psychology Department, Fall 2018

Master's Thesis Graduate Faculty Representative

Michelle Velazquez, Psychology Department, Defended Summer 2024

“The Comparison of a Music-Based and Exercise-Based Intervention on Cognitive Function in Healthy Older Adults”

Alyssa Korell, Psychology Department, Defended Fall 2018

“Sleep, Executive Functioning, and Emotional Regulation in Adolescents”

Master's Level Capstone Project Graduate Faculty Representative

Garett Romriell, Occupational Therapy Department, Defended Spring 2018

“The Effect of Weighted Blankets: Children with Autism Sensory Over-Reactivity”

Scharp Language & Brain Lab Student Supervision

Abigail Music, hourly lab employee (5-10 hours per week)	2025-Present
Briget Wallace, 10-hour Graduate Research Assistant	2025- Present
