**All registration must be completed by February 13, 2026**

- Register for IDLA Courses with you High School counselor/IDLA Coordinator.
- **Create a Dual Enroll Account**  
If you have previously taken a Dual Enrollment class through another institution that uses Dual Enroll (CWI, BSU, CSI, U of I, CEI), you will already have a Dual Enroll account set up. You will use your same Dual Enroll login and password on ISU's login page ([isu.dualenroll.com](https://isu.dualenroll.com)) to login to register for your ISU classes. Please do not create another account. **If you don't know whether or not you have an existing account, please ask.** Upon logging in, you will complete the application and registration steps listed.
  - Go to <https://isu.dualenroll.com> and click on **CREATE MY ACCOUNT**.
  - Complete the New Student Registration form. Provide all information including a login name and password. All fields marked with a red asterisk (\*) are required. You must provide either an email account or cell phone number to create the account. If a cell phone is used, standard text message rates will apply.
  - Once you click **Create Account**, you'll receive either a text message with an activation code or an email with a link to confirm your account. You must confirm your account before you can proceed with the registration. *If using email, be sure to check your junk and spam folders for the email.*
  - Complete the application steps. Completed steps are listed in green under **Application Steps**, and the current step is shown in orange. Complete all required fields which are marked with an asterisk and click the **update** button after each step. **Note:** Parent contact information cannot be the same as the student contact information.
- **Register for classes.**
  - Click on the Courses tab to review the list of available courses. Click on the course name to see the detailed class description and available sections. Be sure to chose one of the sections listed above for your IDLA instructor.
  - When you've made your decision on a course and section, click the **REGISTER** button to start the registration process. If the course you have selected has prerequisites, you will be prompted to continue with the registration if the prerequisites are met or to choose a different course.
  - You may choose to: Select another course, view registration status, or logout.
  - You will receive an email from ISU letting you know when your registration is complete or if they need more information from you.
  - Note: If your parents are having a problem with the consent, you can click on Resend or Change contact under the Steps column, update the parent contact information, and/or resend the consent link to your parent.
- **Request Advanced Opportunities funding**
  - Talk to your high school counselor or visit <https://advancedops.sde.idaho.gov>

**Questions?**
