1) ASC Offices

Our first order of business will be to choose a chair and vice chair for the 2023-2024 school year. (action item; vote needed)

2) ISU Withdrawal Policy

In our last meeting, Corey Zink, Associate Vice President for Enrollment Management, asked us to consider his proposal to revise ISU's current withdrawal policy. Both Corey Zink and Cindy Hill in Academic Affairs have approved the version of the proposal we will vote on; please review in Box. (action item; vote needed)

3) ISU Withdrawal Procedure

Hala Abou Arraj has sketched out the procedure involved when students withdraw from the University according to the policy proposed by Corey Zink; please review in Box. (discussion item)

4) Certificates Update

Subsequent to our last meeting, I have corresponded with Vince Miller and have some additional data regarding students who wish to earn certificates and minors in association with their Bachelor's degree in a given year.

5) Academic Integrity Update

The Academic Integrity Council is expected to be fully functional in the fall. I will share its new website and some recent developments at Turnitin that can assist faculty in dealing with student use of chatbots.
