## Leadership Council Meetings

1/28/2021

1. FY2022 Tuition & Fee Recommendations - Jen
  - a. No increases to base undergraduate tuition and student activity fees
  - b. Graduate and non-resident tuition, eISU fees and professional fee increases will be considered
  - c. ACTION ITEM: determine how many of our graduate students pay full NR tuition
  - d. Feedback
    - i. It's important to maintain our focus on affordability
    - ii. Graduate students are not as against higher tuition when they find the right program in the right area
    - iii. If eISU fee moves forward, it would be beneficial to utilize funds to streamline our online delivery
    - iv. eISU fees can be difficult for students to understand, transparent communication on these fees could help
    - v. Possible solution of fee confusion is to simplify the pricing presentation, consolidating fees
    - vi. In the long term, the eISU fee should be eliminated
  - e. Submit feedback through [Google form](#)
2. Spring 2021 10th Day Calling Campaign Update - Staci
  - a. Update on 10th day calling campaign this year
3. Project Charter Presentation: Roar 1199 - Kandi
  - a. Overall feedback was very positive from students
  - b. College of Business willing to help with financial literacy sections
4. Project Charter Presentation: Outreach System Project Charter, Idaho Falls - Lyle
  - a. Barriers to offering classes in Idaho Falls:
    - i. It can be challenging to build a cohesive department in two locations
    - ii. Provide feedback to Lyle on how we ensure IF is successful
5. Student Death Protocol - Craig
6. Project Chart Presentation: Prospect Management - Kyle/Ryan
