

Apply now!

ASSERT (Aligning Stakeholders and Structures to Enable Research Transformation) Faculty Fellowship. Join a cohort of ISU faculty from various ranks and academic disciplines. Build community and move your research and creative activities forward. Grow as scholars, leaders, educators, and professionals.

Learn more about this program and apply at: [isu.edu/research/researchers/research-development/assert/](https://isu.edu/research/researchers/research-development/assert/)

Application deadline: September 26

Open to ISU Full-Time faculty of all disciplines:

- Tenured and tenure- track
- Clinical faculty
- Research faculty
- Lecturers

Join a community of faculty fellows and move your scholarly ideas forward

Timeline:

FALL 2025

- ASSERT Application closes on September 26th
- Selected ASSERT fellows participate in onboarding experience

SPRING 2026

- Meet weekly on Pocatello campus with a cohort of fellows from across academic disciplines
- Participate in a retreat designed to support you in your growth as a scholar and leader

Overview:

As a community, we will explore how to pursue transformative research ideas from initial question to implementation. Participants will meet weekly during the Spring 2026 semester. These sessions will include facilitated discussions, guest speakers, skill-building workshops, and collaborative feedback. Outside of these sessions, participants will be expected to complete readings, engage in reflective practice, and work on individual projects.

Support for faculty participation is available. please contact Emma Fox Fogle with any Questions ([emmafoxfogle@isu.edu](mailto:emmafoxfogle@isu.edu))
