C.E.A.S.A.R. Funding

ROAR

OBJECTIVES

- Identify eligibility, timelines, and approval processes for all C.E.A.S.A.R. funding categories.
- Explain the matched deposit process, ratio, restrictions, and approval requirements.
- Describe New Club Funding eligibility and submission deadlines.
- Articulate rules and procedures for earning and requesting Incentive Points.
- Locate, complete, and submit all required C.E.A.S.A.R. request forms on time.
- Demonstrate compliance with ASISU governance standards and ethical funding practices.

New Club Funding

ROAR

NEW CLUB FUNDING

Qualifications

- Club must be registered.
- At least one officer must ...
 - attend the Financial Workshop.
 - attend the New Officer Training.
 - attend C.E.A.S.A.R. Training.
 - attend Club Advisor Training.
 - attend one ASISU Senate meeting.
- If the club is formed after workshops are held, officers may instead schedule time with the office of Student Leadership & Engagement.

Restrictions

- Clubs may apply for funding only through the end of the semester following the semester in which they were organized (or reorganized after a year of inactivity).
- Clubs may apply for a maximum of \$500.
- Clubs may not receive both new club funding and the initial deposit in the same semester.

Benny's Funding

Do's

- Fill out the budget template completely before submitting.
- Submit at least 5 weeks before your event to allow for processing.
- Turn in your application by Thursday at 5:00 PM to be on the Finance Committee's agenda the following week.
- Attend Finance Committee and Senate meetings related to your request so questions can be answered and updates received once you receive confirmation from the Director of Finance.

Don'ts

- Don't submit an incomplete budget template – it won't be considered.
- Don't plan to use funds for an event happening within the 5-week processing period – your application will be voided.
- Don't expect reimbursement for events that already happened – retroactive funding is not allowed.
- Don't skip meetings – absence could delay or affect your funding approval.
