September 5, 2022

Student Opportunities

Trio/McNair: The TRIO McNair Scholars Program is designed to help undergraduate students at Idaho State University prepare for graduate research and enter competitive doctoral programs.

Please see the [application](#) for more information!

Math tutor opportunities! Interested in being a math tutor? Visit the Student Success Center for more details!

National Scholarships

Are you a sophomore or junior Interested in pursuing graduate studies? Want to learn more about scholarship and fellowship programs you could consider to fund your graduate studies in a wide variety of fields? Interested in fully-funded master's degree programs abroad? Do you have a strong academic record (3.6 + GPA) and ample research/service experience?

Schedule an appointment with Instructor/Coordinator Conner Suddick [here](#) to learn more about [Rhodes](#), [Marshall](#), [Mitchell](#), [Goldwater](#), [Truman](#), [Udall](#), [Fulbright](#), [Schwartzman](#), [Boren](#), [Critical Languages](#), and more!

Graduation Deadline

As we begin a new school year, we want to let you know that Undergraduate and Graduate graduation applications for Fall 2022 are currently open. The application deadline for a Fall 2022 graduation is on Tuesday September 6, 2022.

All students apply for graduation in BengalWeb on the Academic Tools icon. Students are strongly encouraged to submit their application for graduation as soon as possible. Applications received early give advisors and support staff time to communicate with a student if there are outstanding requirements.

Students transferring in coursework in their last semester need to notify a graduation specialist at the time of application for graduation. All transfer coursework must be completed by the last day of the ISU semester in which they wish to graduate.

ICCU/ISU Case Competition

Idaho Central Credit Union (ICCU) and ISU's College of Business will be hosting a 6 week case competition where students of all majors will come together and brainstorm their solutions to what a typical real-world work problem would look like. Any major welcome!

This is an excellent opportunity for students for a number of reasons including:

- Cash prizes: The first place team will win \$5000, second place wins \$3000, and third place wins \$2000!
- Networking opportunities: you will get to meet and interact with middle- and senior-level professionals at ICCU.
- Learning different software tools to analyze data from mentors.
- ICCU will provide a tour of the facility, which all students are welcome to attend if possible

Please see expectations regarding your participation in the case competition below:

- You will be grouped into teams of 3-5 students. To be part of the team, you need to be an active participant.
- Average time spent per week on the project with your teammates is 2-3 hours.
- Weekly Zoom (or in-person) meetings with ICCU members (~1 hour/week). These will be recorded for those who cannot attend live.
- Present your findings to ICCU team members at the end of the 6 weeks (7 minute presentation followed by Q&A).

If interested, please see the attached [flyer](#) and email irisbuder@isu.edu with your name and major by September 7th!

TRIO

McNair SCHOLARS PROGRAM

The TRIO McNair Scholars Program is designed to help undergraduate students at Idaho State University prepare for graduate research and enter competitive doctoral programs.

ELIGIBILITY

The McNair Scholars Program at Idaho State University is a federally funded TRIO Program to help students participate in future doctoral studies. The McNair Scholars Program is highly competitive and seeks candidates who are:

- U.S. Citizen or permanent legal resident
 - Rising sophomores or current juniors
 - 3.2 GPA or higher
 - Enrolled full-time at ISU
 - First Generation college student
- AND
- Meet Limited income guidelines
- OR
- Belong to a group that is under represented in graduate education (African American/Black, American Indian/Alaskan Native, Hispanic/Latino, or Native Hawaiian/Pacific Islander)

The pre-application reviews a student's eligibility into the program. Limited spots are available, please apply soon.

PROGRAM BENEFITS

Research Involvement

With the support of a faculty mentor, McNair Scholars participate in research - with opportunities to publish and present at local, regional and national research conferences.

Graduate School Preparation

Through a series of McNair-guided coursework, scholars will receive GRE test preparation and tailored workshops to prepare for graduate school applications including research experience.

Financial Support

Get paid to do research! TRIO McNair Scholars receive \$2,800 to conduct research in the summer; assistance in applying for fellowships, aid and other funding, as well as application fee waivers to eligible graduate school program.

TRIO MCNAIR APPLICATION PG. 1

TRIO McNair is a federal program funded by the United States Department of Education to help encourage first-generation, limited income students further their education. The purpose of the TRIO McNair Scholars Program is to assist with the academic and professional development of undergraduate students whose goals are to research at the college level and obtain a PhD. The following pre-application reviews a student's eligibility to participate in TRIO McNair. Additional materials will be required after this form has been completed and turned in for review. Use only blue or black ink, no pencil. You may return your completed pre-application to the Access and Opportunities office or mail the original form to: Idaho State University, 921 S. 8th Ave, Stop 8345, Pocatello ID 83209. If you have questions please feel free to email us at triomcnair@isu.edu or call at (208) 282.3242.
