

Weekly Update

October 10, 2022

Good Luck with Midterms!

Hello Honors Family!

You have made it to Midterms week! We have full confidence in all of you and wish you best of luck on your exams! Between your study parties, we invite you to take a break and join in on some of the Homecoming activities that are going on all throughout the week. From Puppy Playdates on the SUB to BBQs and bonfires, there is bound to be something for you enjoy. Not only are these activities made for you and your enjoyment, but it is also a way for you to connect more with the Honors Program and its members! We hope to see you all there, so be sure to check in and say hello!

Be sure to reach out to your Honors mentors and staff for anything you need, especially during your exams this week.

Roar, Bengals Roar!

International Collegiate Business Strategy Competition

ICBSC allows you and the members of your team have the opportunity to run your own company in a computerized simulation while competing in your industry with teams from schools across the continent. The competition begins in late January with weekly decisions on price and marketing, production, financing, etc. and continues until April, when the final intensive phase of the competition happens over three days in-person in Anaheim, California. (It is really exciting!)

Your team will also create a business plan and an annual report, so it is full-cycle and gives you a real taste of what it is like to be a member of an executive team.

Please fill out the statement of interest attached to the Weekly Update and return it by no later than Monday, October 24th, to be included the pool for consideration.

And please don't hesitate to let Dr. Alex Bolinger know if you have additional questions (his email is boliale2@isu.edu). Thanks again for your interest!

We look forward to receiving all of your submissions!

Volunteer Opportunities

For the Musically Inclined

This year, the Festival of Trees will be held at the Stephen's Performing Arts Center November 16th through the 19th. This is a magical holiday tradition for the whole community featuring beautifully decorated trees and displays with attractions and entertainment scheduled daily. All proceeds from the event will go to support the Pocatello/Chubbuck School District 25 Education Foundation, Idaho State University scholarships, the Boys and Girls Club of Portneuf Valley, and Make-A-Wish Idaho.

During general admission hours, guests will freely wander through the Stephen's to view the trees and displays. We are looking for talented musicians to play background instrumental music for one hour during these times:

Thursday, November 17th: 12:00 - 6:00

Friday, November 18th: 12:00 - 4:00 and 5:30 - 7:00

Saturday, November 19th: 12:00 - 5:00

Please contact Gail Hunt at huntgaf@gmail.com if you are able to help or want more information.

Rake a Difference

This is one of the biggest (and best) service opportunities that Honors students volunteer in every year!

We love seeing everyone there! Bring any raking equipment you have, and the rest will be provided.

Honors Raking Day will be Saturday, Nov 5, 10am - 2pm, Sign up now!

Students can volunteer for other days if not available on Nov 5.
