Honors Specific Scholarships

Open NOW in BOSS!

Honors specific scholarship opportunities are now open. Take some time to prepare the application materials and submit to BOSS when complete. More scholarships to be posted in the coming weeks!

REMINDER: The Honors Research Scholarship is always open so you can apply for it whenever a need arises!

Owlportunity Scholarship

For Spring 2023. The Owlportunity Scholarship is open to full-time active and current Honors students with a 3.20 GPA or higher. This scholarship is intended to help students with expenses related to their education. Applicants may request a specific scholarship amount, no greater than \$250, to be used for a specific need and must provide a short personal statement that will be made available to donors to the University Honors Program. Donors will have the opportunity to select and sponsor individual Owlportunity Scholarships online and during the UHP annual fundraiser, An Opportuni-Tea.

Heithoff Scholarship

The Heithoff Scholarship is for Honors students with a cumulative GPA in the range of 2.9 – 3.9 who will be enrolled full time in their 2nd, 3rd or 4th year at Idaho State University. Applicants must be working a part-time job and must be giving back to Idaho State University or the community through acts of kindness, volunteering, mentoring or other ways of assisting others. Students with scholarships or grants yielding an aggregate amount in excess of 75% of the costs of ISU's tuition and room and board are not eligible for this opportunity.

SDS Scholarship

The SDS Scholarship is for Honors students with a minimum cumulative GPA of 3.20 who will be enrolled full time in their 2nd, 3rd or 4th year at Idaho State University. Applicants will be asked to describe ways in which they are involved in the Honors Program beyond fulfilling regular Honors attendance and program requirements.

Student Opportunities

Robotics Mentors

HayWire Robotics, the Pocatello/Chubbuck School District high school robotics team, is looking for mentors. We compete in the FIRST (For the Inspiration and Recognition of Science and Technology) Robotics Competition. The new game was just revealed (<https://www.youtube.com/watch?v=0zpflsYc4PA>) and we have ~6 weeks to design, prototype, build, and program our robot to compete at two regional competitions. We meet M-F from 6:30-8:30 pm and most Saturdays from 8:00 am-12:00 pm at the Franklin Middle School Annex (old seminary building across the parking lot from Franklin Middle School). If you are interested in helping with the team, please contact Matt Alexander, alexmat3@isu.edu or 208-240-8680.

Math Tutoring Position

If you are good at math and enjoy helping others, join the University Tutoring team in the Math Center! Beginning pay is \$11/hr for undergraduates (\$13/hr for graduate students), hours are flexible and built around your school schedule, and it looks great on a resume! Those who qualify for work study are especially encouraged to apply. If you are interested, please follow the link to provide all relevant information for us to get the hiring process initiated. For additional information, please contact Doug McGee (douglasmcgee@isu.edu).
