## BAHM RSVP

It is that time of the semester for the Bi-Annual Honors Meeting (BAHM) - We are excited to see all of you there! Please click this [link](#) to register for BAHM by Friday, March 1st.

Remember, all Honors students must attend one of the three possible BAHM sessions each semester in order to remain eligible for UHP scholarships, priority registration, and other program benefits. If you know that you won't be able to attend due to an official conflict (e.g. a conference, athletic travel), please reach out to set up an alternate plan.

Please respond to this email or email Honors Faculty/Advisor Conner Suddick ([connersuddick@isu.edu](mailto:connersuddick@isu.edu)) with any questions or concerns.

## TRIO/McNair Program

The McNair Scholars Program at Idaho State University is a federally funded TRIO Program to help students participate in future doctoral studies. The McNair Scholars Program is highly competitive and seeks candidates who are:

- U.S. Citizen or permanent legal resident
- Rising sophomores or current juniors
- 3.2 GPA or higher
- Enrolled full-time at ISU
- First Generation college student AND Meet Limited income guidelines

OR

- Belong to a group that is underrepresented in graduate education (African American/Black, American Indian/Alaskan Native, Hispanic/Latino, or Native Hawaiian/Pacific Islander)

# QPR Training

The Institute of Rural Health is offering a free suicide intervention course that teaches a three step plan for how to help save someone in a suicide crisis. QPR (Question, Persuade, Refer) is a simple and foundational course that will teach you the principles of intervention. This course is offered to anyone in the community for free and will take place on February 29th at 6pm on ISU campus. For information on how to register, scan the QR code on the flyer (see attached).

# NW NARCH Fellowship

Applications for the Tribal Researchers' Cancer Control Fellowship (TRCCFP) are still available on our website!: <https://www.npaihb.org/tribal-researchers-cancer-control-fellowship/>  
Applications are due March 20th, 2024.

The Tribal Researchers' Cancer Control Fellowship Program (TRCCFP) will be held in person at the Northwest Portland Area Indian Health Board (NPAIHB). The NW NARCH will cover the travel-related costs of attendance. We will cover flights, hotel, per diem, and ground transportation to and from the airport. Travel details will be shared upon acceptance.

Accepted fellows will attend a two-week summer training in June 9-21, 2024 and a one-week follow-up training in the fall. We encourage AI/AN graduate students, researchers, and tribal health workers with a demonstrated interest in cancer prevention and control to apply.

# An Opportuni-Tea

We are looking for student volunteers on Friday, April 5th and Saturday, April 6th to support An Opportuni-Tea. This is the largest fundraiser of the year for Honors and the funds impact scholarships and programmatic events in the University Honors Program. Volunteering at the event counts as civic engagement.

Please fill out this [volunteer form](#) to sign up.

# Creative Submissions Wanted!

We would like to invite Honors students to donate original creative work to be auctioned in the silent auction for An Opportuni-Tea. Donated work could be anything you've created - painting, yarn art, woodworking, ceramics, sculpture, jewelry, photography, etc. The options are endless. Click [here](#) to see previous submissions.

Your creative work doesn't have to be fully complete in order to let us know that you are interested in submitting a donation, as long as the donated item is complete and submitted to Jacob Andrysiak by Friday, March 8, 2024. If you'd like to donate creative work, please complete this [form](#) so we can communicate with you throughout the planning process.

# UHPC Events

All UHPC Events count toward your Civic Engagement requirement each semester.  
Keep an eye out on social media for upcoming Civic Engagement events.
