NW NARCH Fellowship

Applications for the Tribal Researchers' Cancer Control Fellowship (TRCCFP) are still available on our website!: <https://www.npaihb.org/tribal-researchers-cancer-control-fellowship/>
Applications are due March 20th, 2024.

The Tribal Researchers' Cancer Control Fellowship Program (TRCCFP) will be held in person at the Northwest Portland Area Indian Health Board (NPAIHB). The NW NARCH will cover the travel-related costs of attendance. We will cover flights, hotel, per diem, and ground transportation to and from the airport. Travel details will be shared upon acceptance.

Accepted fellows will attend a two-week summer training in June 9-21, 2024 and a one-week follow-up training in the fall. We encourage AI/AN graduate students, researchers, and tribal health workers with a demonstrated interest in cancer prevention and control to apply.

An Opportuni-Tea

We are looking for student volunteers on Friday, April 5th and Saturday, April 6th to support An Opportuni-Tea. This is the largest fundraiser of the year for Honors and the funds impact scholarships and programmatic events in the University Honors Program. Volunteering at the event counts as civic engagement.

Please fill out this [volunteer form](#) to sign up.

Creative Submissions Wanted!

We would like to invite Honors students to donate original creative work to be auctioned in the silent auction for An Opportuni-Tea. Donated work could be anything you've created - painting, yarn art, woodworking, ceramics, sculpture, jewelry, photography, etc. The options are endless. Click [here](#) to see previous submissions.

Your creative work doesn't have to be fully complete in order to let us know that you are interested in submitting a donation, as long as the donated item is complete and submitted to Jacob Andrysiak by Friday, March 8, 2024. If you'd like to donate creative work, please complete this [form](#) so we can communicate with you throughout the planning process.
