## University Honors Program 2023 Graduate School Advising

### APPLYING TO GRADUATE SCHOOL IN THE NEAR FUTURE?

Greetings!

Launching this summer, the University Honors Program staff would like to provide specialized application support to students who are considering applying to graduate or professional schools in any field in the Fall 2023 or Fall 2024. **Current Honors students and alumni are eligible to participate at no cost!**

Through 4 - 6 different hour-long advising meetings in the summer of 2023, I will work with up to 12 students to maximize their success navigating the graduate school application process. **For students who are interested in participating in the inaugural cohort, please apply by April 15th [here](#) or using the QR code above. Apply soon as these slots will be given to those who apply early.**

Please reach out to me ([connersuddick@isu.edu](mailto:connersuddick@isu.edu)) if you have any questions!

**As a result of this initiative, you will:**

- **Learn how to research potential schools and assess what programs may be the best fit for your personal and professional goals**
- **Receive extensive feedback on your graduate school statement of purpose/personal statement**
- **Craft a professional resume and curriculum vitae to accompany letter of recommendation requests and your application materials**
- **Send professional correspondence to faculty recommenders and potential research supervisors**
