

Weekly Update

April 3, 2023

Thank You!

Honors Students,

We wanted to thank all the student volunteers, performers, artists, etc. who made An Opportuni-Tea a success this year! We could not have done it without you. The money raised helps our program continue to promote activities within Honors like the Meet and Greet, Graduation Celebrations, and more. It also helps fund research and other individual scholarships for the program! Your donation of time and effort connecting with donors and supporting the event was invaluable!

There is still time to continue raising funds for the Owlportunity Scholarship! Donations are active over the next week! If you have an owl, check out the [fundraising page](#) and determine if you need to reach out to individuals to get your owl fully funded.

With deep gratitude,
UHP Leadership
